RE: Austin Avenue Radiation Site
Ground Water Contamination

Dear Mr. Janosik:

I know of three wells in the Borough of Lansdowne:

1. Wildman Arms, 80 West Baltimore Avenue
2. Barksdale Studios, 44-50 East Baltimore Avenue
3. Tillman Real Estate Associates, 20 S. Union Avenue
432 Bolsover Road or 308 Conshohocken St. Rd.
Wynnewood, Pa. 19096 Penn Valley, PA 19072

1. Wildman Arms is west of Lansdowne Avenue so is out of the area in question. Also I believe that the well is no longer in use.

2. Barksdale Studios is a photographic studio and they inform us that they no longer use the well water. I understand that the water was used in their photographic process.

3. Tillman Real Estate Associates has a well in use. I checked the telephone directory and found the following businesses (and telephone numbers) listed for 20 South Union Avenue:

Brown-Ney Assoc.	623-8760
Custom Creations	622-4659
Delco Elevator Products	626-4070
Heisman Fire Arts	259-6212
J. A. Miller Caterer	622-3700
Power Products	622-2797
J. Rose Custom Furniture	622-4433
Teleshield Inc	622-8083
Tily Manufacturing	622-8081

We are also attaching a copy of a letter from the Philadelphia Suburban Water Company relative to the well.

We hope this information is helpful to you.

Sincerely,

BOROUGH OF LANSDOWNE
